HTC 800 HDX

The planetary grinder HTC 800 offers high performance and efficiency. The machine is powerful, yet easy to maneuver and handy.

HTC 800 HDX has a powerful 15 kW motor. This planetary grinder is ideal for those with high demands on cutting capacity since the grinder comes with 55 kg of additional integrated weights. The HTC 800 HDX is a perfect choice for grinding concrete floor in accordance with the HTC Superfloor™ method.

- Adjust the grinding pressure using the integrated weight system
- The HTC 800 series is a winning combination of power and versatility.
- Ergonomically designed.
- A planetary grinder for large jobs
- Low operating costs
- The machine is easy to manage and offers high performance and efficiency
- HTC Superfloor™ - Approved Equipment
